35099	No	Not appealing to use - very busy corner intersection and noisy	A green park with lots of trees for shelter from the busy road noises. The current childrens play areas could be kept as well as the skate ramp.	Maintain the kids play area	Aimee	Whall		
35006	Yes (please tell us how)	Pump Track (Grandchildren) Ball games	Barbeque area  Soccer field (doesn't need to be full size)  Long term - Community Centre with community classes, such as pottery, walking groups etc.	Add a barbeque area  Include a short soccer field with goals	Maxine & Bruce	Dyer		
34961	Yes (please tell us how)	Our Walking Group "Shirley Recreational Walkers" have met at this site since the 1990's and I have run our group since the late 1990's from there.	I would like to see the Shirley Community Centre reinstated back at this site as we were led to believe would be happening back in 2017 (correspondence enclosed). It is on a great bus route and was used by many groups both day and night. Other areas have had their Community Centre's re-built but not Shirley WHY???	I feel that the facilities currently at the site are great, but they fall far short of what was there before. We need to have the Shirley Community rebuilt sooner rather than later (what has happened to the insurance payout?) I have enclosed correspondence regarding this as not enough space to write here and it also references the fact that we were led to believe it would get re-built.	Sue	Lang	Shirley Recreational Walkers	Leader and Organiser of our programme
34939	No	Comments from myself in relation to 10 Shirley Rd are attached.			Frida	Inta		
34936	No	It is good to see young children and families enjoying the limited facilities on site.	We would like to see a modern fit for purpose community hub including a community centre that will serve the current and future generations surrounding 10 Shirley Rd.	Start building a community centre urgently.	Joanne	Byrne	Amazing Mairehau	Organiser
34933	Yes (please tell us how)	I occasionally sit under the mature trees but as I am not a child or young person, there are really no facilities there for me to use.	I want our Community Centre to be rebuilt so we can have a convenient venue for community meetings (including our Residents' Association) and other groups and activities. This site is very close to local schools and businesses; is extremely well-served by public transport; and, in keeping with other Christchurch suburbs, Richmond should have its facilities reinstated immediately. Ten years is far too long to have waited already.	Children and young people are using the play equipment but there is nothing there for adults and elderly people to use. Reinstating our Community Centre would address this gap.	Paul	Smith

34925	No	10 Shirley Road was the home for NZ Society of Genealogists - Canterbury Branch, for 21 years from February 1990 until the February 2011 earthquakes.	We were hoping that a new Community Centre would be built on the same site to serve the local community in many ways, and possibly return 'home'.	Possibly some shelter, park benches, communal BBQs, games (petanque, large chess and drafts). Gazebos for weekend markets / craft stalls. Scooter / skate board area. Quiet corner for elderly, easy access, sheltered, fragrant, suitable seating for elderly. Appealing with colourful planting and natives to attract and welcome. Fun things for small kids.	Fiona	Lees	NZ Society of Genealogists - Canterbury Branch	Convenor
34915	Yes (please tell us how)	Parking and playground	Same as above	Increase the playground with natural rocks and logs for kids to climb on. A box track with a rubber surface would be good as scooters from the pump track could use it. Box rather than scooter track as there is a skate park at St Albans Park on Edward Ave.	Anita	Thorne		
34914	Yes (please tell us how)	<p>I dont believe we need another community centre, we have to fight to keep the Spartan rooms at the old SBHS site which were promised to the local community as part of the new build for BAS, MOE neglected this over the demolition phase and is now saying its uneconomical to repair, if they had looked after it there wouldn't be this issue, it would be a well used sporting and recreational area with large rooms for community meetings as required.</p> <p>I would hate to see Shirley Primary loss revenue it has gained with a new centre opening across the road and taking away what they have worked to secure.</p> <p>We have many facilities available to use in the richmond area, Shirley is operating well out of McFarlane park, we have Shirley Primary, Shirley Intermediate, Delta, Avebury, the club about to come on board and BAS once built.</p> <p>Use the money elsewhere in the richmond area to enhance and work on what we already have</p>	More activities, permanent pump track, more picnic tables, extended community gardens.	Make pump track permanent.	Vicki	Brown		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34913	Yes (please tell us how)	I walk through it on my way to the shops. I chat to people I meet there	<p>I would like there to be a beautiful community centre where I can attend classes with a sheltered outside area with seating where I can sit and chat. I would like to see happy residents young and old meeting there and enjoying each others company whilst pursuing education, entertainment and hobbies.</p> <p>There was a thriving Community Centre at 10 Shirley Road prior to the Canterbury Earthquake sequence Many of the groups that used to meet there have scattered to the wind, some would return if they had the option because of the central location and proximity to main road parking bus stops etc.. The things that people report they miss are Yoga, ante natal classes, home birth classes baby music and baby yoga classes, pottery, woodworking genealogy group, weight watchers, Bonsai club.....many of these groups would probably start up again as they seem to go wherever there is space. It appears there is little in this area for parents with babies and pre school age children or for retired people who would like to indulge in some sort creative activity or hobby...</p> <p>After the EQ CCC was going to do a joint venture with Crossways Church but it all fell through after 3 years of negotiations during which time other organisations were interested but they all dropped away as the Council was consumed by the Crossways project</p> <p>Other suburbs have fabulous community facilities. eg St Martins has just opened one. We are always told that is because there is no money for us</p> <p>The cost of the Linwood Pool is up to \$22 mill</p> <p>The pool, library, and customer service centre for Hornby is up to \$37.5 mill</p> <p>There is \$3 mill for a multicultural centre in Hagley</p> <p>\$10 mill for the library museum centre at Sumner</p>	Do you mean the temporary pump track, the basic playground, the donated picnic table, the basketball hoop and the stone table... These items are already being used to capacity.. except for the stone table which has little use.	Jennifer	Dalziel		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
			<p>Other Community Centre rebuilds include Governors Bay Spencerville</p> <p>Te Hapuna at Halswell</p> <p>The list goes on and on...</p> <p>We need facilities in Papanui and other areas too.</p> <p>We need facilities that are not restricted by business priorities, school priorities and they need to be secular and safe for all.</p> <p>we dont expect any building to take place for the next 10 years but we want the planning to begin and the option should still be there.</p> <p>There is a huge amount of infill housing going on in this area with a corresponding influx of young families and elderly people so we should have the population to sustain it</p> <p>I would be against a food forest at 10 Shirley Road because of the high incidence of vandalism and produce stripping that makes these ventures tragedies.. There are already community gardens at Mc Farlane Park and Avebury house.</p>					
34912	Yes (please tell us how)	<p>We don't need a community centre built back here; Shirley are having great success with their facility in McFarlane Park. It's really the outskirts of Richmond, we have new facilities at Delta in our community hub area, Avebury house, the upcoming WMC building and Shirley Intermediate Hall. The Shirley Primary Hall and rooms are in full swing, which is putting money into the local school, this is working really well with a lot of bookings of different groups and is well used, this needs to continue, a facility across the road may take this good income stream away from them which wouldn't be a good outcome.</p>	<p>We would like to see more recreational items added (ball goal similar to Richmond Village Green) which gets a lot of use. More updated play equipment, opportunity to grow the community garden, which is managed by Bec from the Shirley Village Trust, more picnic tables for families to sit and enjoy the space.</p> <p>For recreation, We are involved in the Green Lab project and we have marked 10 Shirley Rd for a Start/Finish point in the wayfinding path. This will include a map board for people to learn about the way find and follow from there through the suburb of Richmond through to Swans Rd/River Rd RCG/Riverlution entry.</p>	<p>Have the pump track approved to be a permanent installation, add further recreational items to encourage more use of the space. Put contracts in place to maintain the Dudley creek area bounding the reserve to a better standard.</p>	Vicki	Brown	Richmond Residents and Business Association	President

		<p>From our community surveys and info we get from most locals, there is no need for a centre here and the funds could be better utilised within Richmond to make it a better place to be.</p> <p>Our organisation's desire to have the wayfinding and also we have the MSD funding to roll out the food security plan for Richmond which includes Food forests in all our parks, this would immensely help our people to get food for there familys from local areas and be a sustainable option for the future.</p> <p>Sarah Whyllie wrote a report that was commissioned by the CCC and that also showed the need for other things rather than another meeting space.</p> <p>Your support by way of letter to MOE for the reinstatement of the Spartan Gym facility at the old SBHS site as promised to BAS for further meeting amenity as well as the huge benefit to the community on a sporting front would be much appreciated. MOE and CCC have taken so much from our suburb and not replaced it and backtracked on promises. Now is the time to reshape and have some sound amenities in the heart of Richmond to be well used by the community.</p>

34903	Yes (please tell us how)	<p>I visit 10 Shirley Road twice a day during the week, dropping off or picking up my son from Shirley Primary. We also often visit in the weekends on a bike ride or walk or to ride the pump track.</p>	<p>The Shirley Community Centre was a very popular and thriving centre before it the 2010/2011 earthquakes. It has been a centre of learning for over 100 years, the heart of our extended community and is an important historic site for Shirley. It needs to be replaced and I find it unbelievable that there are no current plans to rebuild it!</p> <p>There is a petition at <a href="https://www.change.org/p/christchurch-city-council-a-community-centre-for-north-richmond-shirley-mairehau-edgeware-st-albans-east?fbclid=IwAR0yMsYpUlpXloDvJrEFNV18u6wceYxhDWf7vPoc2jFyDZhmjUn8546aa0">https://www.change.org/p/christchurch-city-council-a-community-centre-for-north-richmond-shirley-mairehau-edgeware-st-albans-east?fbclid=IwAR0yMsYpUlpXloDvJrEFNV18u6wceYxhDWf7vPoc2jFyDZhmjUn8546aa0</a> that has 164 signatures from locals supporting the reinstatement of the Shirley Community Centre at the time of writing.</p> <p>Looking around the city, many other suburbs such as Sumner, Mt Pleasant, Heathcote, Ferrymead, St Martins, St Albans, Halswell, Hornby, Riccarton have had new community centres built since the earthquakes. Why has Shirley been left out?</p> <p>I strongly disagree that there are several locally managed community facilities that could be used as a community centre replacement for Shirley. Schools are only available in the evenings which doesn't suit groups such as seniors who would prefer to meet during the daytime. And religious institutes such as Delta, Shirley Trust and the Freemasons are definitely not appropriate as a community centre substitute. We have a diverse and multi-cultured community in Shirley and surrounding suburbs - many are not comfortable going to a religious institution. It is important that a community centre is secular and welcoming to people of all backgrounds, cultures, religions and beliefs. The other communities with new community centres funded also had churches and schools available but were not expected to use these - why are we expected to?</p>	<p>While waiting for a rebuild of our Community Centre, we could make it a outdoor sports and recreation hub with the addition of fake rock climbing walls, soccer goals, volleyball/badminton net and fitness circuit.</p>	Jane	Hopkins

			<p>The Shirley Community Centre at 10 Shirley Road has been a community centre since 1977 (previously was a school) and is a high profile location, very accessible by public transport. It serviced multiple suburbs - Richmond, Shirley, Mairehau, Edgeware and beyond. There are some retail and food outlets just down an alleyway on Hills Road making it a great destination venue for meetings and groups. The area is currently very busy with many people using the site on a daily basis - families often lingering and socialising after school and in the weekends at the playground or pump track.</p> <p>I would like to see the Community Centre rebuilt as soon as possible and ideally extended to include the Shirley Library and CCC Service Hub moved from the Palms. It is a much easier site to access via public transport or walking or biking than the Palms. The current Shirley Library is far too small. It is unable to hold any events that are held at other libraries such as school holiday workshops and similar. We like to attend these events but have to travel to New Brighton or Christchurch South libraries that are bigger and have rooms available to have workshops. Many families in our community do not have transport and it would be great if they could attend these workshops at their local library.</p>					
34894	Yes (please tell us how)	Dog walking exercise	As an open green space	Leave it as it is	Chris	Ruane		
34890	Yes (please tell us how)	My kids use the playground and pump track on a regular basis. We use the bike stand and playground daily during term time and often in weekends.	We would like to see another community Centre/facilities. We would also like to continue to use the pump track and playground. A tennis court would be good.	Add more playground or extend tracks for biking. So kids can skate and bike in more areas away from carpark while waiting to use pump track/ or if too small to use.	Jayne	Swainson		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34880	No	I used to use the former Community Centre before it was demolished. Now I observe people making use of the site - skateboarding, walking etc when at the adjacent bus stop.	<p>The mix of organisations, meeting rooms, kitchen facilities for hire etc was great. I don't know how many can be enticed back, but there is a need for such a space east of Cranford St.</p> <p>There may also be potential for a community growing space.</p> <p>As I am now in a wheelchair I would appreciate facilities with good disabled access. Some car parking space would be useful.</p>	Well there is nothing much there! But the mature trees and outside space is valuable. The Playcentre could be more visible, and the skateboard ramp.	Sue	Colyer		
34877	No	Having arrived in the Mairehau area since the demo of the community centre at 10 Shirley Road, and having not stepped onto the block of land, being retired, my comments are these: I have noted the map given of the various facilities available for community use throughout the area, and would comment that many appear to be old residential properties, which in itself is fine, putting these properties to good use. I don't agree with the statement that we are adequately equipped with community facilities, in these days and times, the word Community will loom larger in the people's minds and I think Council has heard this word a lot recently, particularly with the discharging of Northern Traffic through our area, heightening the requirement for Community and Fellowship and a quality of life, which local people have been fighting for (and lost) We are in challenging times and people need to have gathering places for meetings, fellowship, activities, and workshops, and walking distance is important to many as well. Quality of life is reducing fast, and I am firmly of the belief that this piece of land which is already owned by us (CCC) needs to be put to good use. There is unutterably no need to invest a sum like \$4 million in this, a large simple house structure will do, which can be reconfigured to contain a hall, small meeting rooms, commercial kitchen,	If you take a look at the back pages of the St Albans News alone you will see the numbers of groups operating in this and immediate areas. Many of them are from Shirley/Mairehau. Using facilities outside of their areas. There will be many more who do not advertise here. There is a saying "build it and they will come" this is ironic really, because of the Northern Arterial situation, but indeed the two do now go together, because of the N.A., Communities' needs are greater; crossing this part of town, including St Albans/Edgeware areas is more and more problematic, your population is ageing in parts, the traffic is daunting, being and living local is now a most important factor, and should be a vital part of Council's mindset in this day and age, instead of asking us to move further afield for places for gatherings. This is a right for the local citizens, not a privilege. The land is there, the building does not need to cost \$4 M.	<p>There is a pump track and concrete table tennis table there, and a pre school. The pump track will need to be moved if possible, but would be nice if it could remain, I believe the table tennis table has been promised elsewhere.</p> <p>That's all. Obviously the preschool is necessary. Then all you have left is the land? Just needs a large simple structure on it for a Community Centre.</p>	Susannah	Lockyer		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
		toilet facilities, and wheelchair etc access. Car parking of course. Surely this could come in for under \$1 M.						
34875	No	I used to use the community facility that was lost in the earthquake. I live in Mairehau, less than 1 km from this site. We dont have community facilities in our area.	I would like to see a community hub - a combined library and community centre with additional community facilities e.g a permanent pump track, an accessible play ground and accessible buildings and bathrooms for all to use. I would like to see a modern library with meeting rooms and study spaces and technology for our youth.	Well we don't have anything other than a ping pong table and a pump track and a new pathway. We need a meeting place and a heart for our wider community in all weathers that meets community need.	Joanne	Byrne		
34873	No	We need our community centre back!	Community programmes, classes... The hub of Shirley		Anneke	Moore		
34871	Yes (please tell us how)	Playground	Community	Community Centre	Marrisa	Hunton		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34870	Yes (please tell us how)	Passing through, reminiscing.... we have attended play group at the preschool also.	<p>I would like to see the community center rebuilt.</p> <p>I have met a number of people within the Innes Ward especially Shirley, Richmond, St Albans, Mairehau, who want the community center rebuilt. I'm not sure whether these people will make a submission or not, but really why should they have to, their popular well used community center was demolished after the earthquakes, these people, this community has every right to expect their community center to be rebuilt.</p> <p>Reading the submission document and statements from the Community Board and staff, I am very concerned with statements saying the local landscape has changed over the last few years, intimating that the community needs are being met with a selection of 'make-do' facilities dotted around the area. These facilities, though they are all welcomed are not a hub. These present facilities are already being used and utliized. We also need to be clear about what a Civic facility is and how it is important to be separated from any religon, therefore welcoming to all community members of all religious backgrounds and beliefs.</p> <p>I would encourage you to read the article written 2 years ago, talking about Shirley and the hopes of the community to again have their Community center rebuilt.</p> <p><a href="https://i.stuff.co.nz/the-press/news/103563627/is-shirley-christchurchs-forgotten-suburb?fbclid=IwAR1z0uxl1IPUokxbhov_7j3VqjFidtQT-PE4MjG3AclNiODahnajY6slG4g#comments">https://i.stuff.co.nz/the-press/news/103563627/is-shirley-christchurchs-forgotten-suburb?fbclid=IwAR1z0uxl1IPUokxbhov_7j3VqjFidtQT-PE4MjG3AclNiODahnajY6slG4g#comments</a></p>	<p>We can stop investing in temporary facilities. Instead of looking at how the council can get out of it's responsibility of rebuilding the community center, start investigating ways it can.</p> <p>A center doesn't have to be 3 or 4 million dollars to build. Look to other innovative projects where ecological buildings were built relatively cheaply. Reach out to industry, consider partnerships to have materials provided cheaply... It's time to change the perspective.</p> <p>It's a great site, historically it was the hub, the shops the bus services the other commercial buildings came after the community center.</p>	Mark	Wilson		
34859	No	There are no longer facilities I can use.	Rebuild the community Centre which enabled further educational, leisure and well being opportunities.	Remove the pump track and rebuild the community centre.	Natasha	Garratt		
34858	No	Because there are no longer any services at the Community Centre	Have a Community Centre with the services that were offered in the past and looking to the future	Remove the pump track and reinstate the Community Centre	Samuel	Jack		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34847	Yes (please tell us how)	Walking with the dog, playground with grandchildren	<p>We would like the Community Centre back at this site.</p> <p>We are long-term residents of North Richmond and used the Community Centre at 10 Shirley Road in several ways while also noting the wide use of this much loved and used Community Centre by other residents of the area.</p> <p>We have submitted on this before. We note that new community centres are being established around Christchurch and yet a replacement for the Centre at 10 Shirley Road that operated successfully in serving the needs of the community for many decades has not been rebuilt yet. These needs covered all age-groups spanning senior-net, to mothers and babies groups. The logic behind the lack of rebuild for this centre is nothing sort of baffling. It cannot only be finance (given that cost overruns on several other council projects that run into tens of millions of dollars seem to have been found)</p>	Make the most of the pump track, perhaps extend the basketball court to a full court BUT ensure that all the additions are temporary until the Centre is rebuilt.	Clive	Howard-Williams		
34845	Yes (please tell us how)	Only for the basketball court	With a replacement community centre	By building a community centre	Nick	Robinson		
34843	Yes (please tell us how)	I only walk along the stream walkway through there but only less than every second week.	I'd like there to be a new community centre. I used to go to some of Adults / Community Education Classes that were held there. My son used to go the Bonsai Club who used to meet there.	I can't used the track for any children of my own but happy to see some kids using it.	Vicky	Adams		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34834	Yes (please tell us how)	<p>I walk my dog almost every day. We both enjoy the stream side walk &amp; open spaces.</p> <p>Also sit on seat, let dog run (still on a long leash &amp; well away from track) to have a drink &amp; watch bike trackers.</p>	<p>Keep stream walk &amp; sense of open space.</p> <p>Other outdoor activities maybe a water tap for humans &amp; dog access &amp; windbreak by benches, some static artworks? to look at from seating.</p>	<p>Improve grounds keeping &amp; stream care.</p> <p>Public toilets, drinks for humans &amp; dogs</p> <p>I live nearby in Richmond ironically where the Com. Ctr. was.</p> <p>This was the Shirley Community Centre so the residents of Shirley need to voice their need or not for a new community centre there or elsewhere? I go to one group &amp; know another who do not plan to move back if it was rebuilt.</p> <p>Richmond has 3 community venues, Avebury, Delta, Richmond Cottage, with Working Men's Club coming on line</p>	Angela	Hart		
34828	Yes (please tell us how)	<p>Very occasionally as a thoroughfare and once or twice for the basketball hoops but otherwise no - other facilities are preferred, Petrie Park (although the built amenity is poor) Avebury House, the Richmond Community Garden and the Red Zone in this general proximity is far preferable. 10 Shirley road is only relevant to a long past sense of nostalgia for an old musty unreinforced masonry building that had poor amenity, was not as beloved as some proponents would have you believe and is far better off where it now lies - RIP Shirley primary school building!</p> <p>I am surprised by the hullabaloo over this council property - if CCC was to ask broadly and proactively the local community (Both Richmond and Shirley) it would find a mixed bag of views however the response seems more aligned with a small minority of noisy outliers who refuse (despite regular invitation) to engage with the local organised community organisations (RRBA specifically) They seem to prefer a contrary approach that delivers division and dilution rather than unity....and it seems</p>	<p>No real need to use it at all. It may perhaps have utility as a secondary green space for Shirley primary but there are much better candidates for investment in Richmond that in some cases would be specific to the Richmond neighbourhood and in other cases (if multi agency collaboration in the interests of the community were a thing) a much wider community being Shirley, Burwood, Dallington, Richmond. I refer to the Spartan sports facility and the potential to do something special on that site for the adjoining schools and the wider community. Difficult I am sure but an opportunity going begging that should not be missed.</p>	<p>In my opinion the best application of resource would be to do nothing and sell the site for medium density housing developed in a comprehensive way to be sensitive to the character overlay and the established green leafy location. This would add population of a helpful socio-economic level to balance the low income social housing that has been smashed in at increasing density around out Richmond. I would then strongly suggest that the "freed up capital" be invested in Richmond and Shirley to support activity where it has organically sprung to life in the community post EQ losses. Specifically for Shirley - Macfarlane Park. If you proactively ask the Shirley residents - there is directed passion and effort largely by volunteers and residents in this area - ask them what they want and support it. Avebury house/ RCG and the entire Riverlution movement going on in South Richmond which is both the commercial and business heart of the community and also a massive future opportunity in terms of organic community driven Red Zone activation. Just go down on a Saturday and look for yourselves. the 3rd area</p>	Murray	James	<p>The above statements are my personal views only - others may share them or not - for clarity I am a Trustee at Avebury house, Treasurer of the RR&amp;BA, Sponsor and supporter of the Richmond Community Garden and a Director and Owner of Maiden Group Limited.</p>	<p>Not relevant - the views expressed are my own</p>

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
		that they have more time available to wage this activity that other parts of Richmond. Hopefully this consultation process will garner a more balanced view and come to see that there are much better investment returns to be had elsewhere.		as noted above is the former SBHS site Spartan sports Gym, rooms and all weather courts (apparently now to be demolished by MOE) It is a crime that this is not being planned for expansion to serve both the new Banks Ave school, Shirley Intermediate which will be rebuilt within the next decade and the wider community. In my view this could involve redeveloping the Shirley Intermediate Pool which is pretty poor amenity and rather than just taking it away as part of the school development (which I bet is what will happen) - share the capital cost and on going maintenance across two schools and the Richmond, Shirley, Burwood and Dallington Communities - all of which have suffered major EQ losses and would benefit from the support - this location is central to them all and easily accessed by public transport.				
34812	Yes (please tell us how)	We use it as a park and open greenspace. Our children ride their bikes there. We enjoy walking along the river path through the neighbourhood. The garden tidy-up in the last few weeks makes it safer, with clearer sight lines between the street and the car park. The new paths are also great.	We enjoy it how it is now. Open greenspace, with large, established trees. It could have better planting eg to bring in birds, or a better grass surface so that it gets more use as greenspace.	It's great the way it is, but see comments on the previous question. My only suggestion is a traffic one - give way lines on Slater Street for cars leaving the car park would help improve safety for school children walking or biking along the footpath/road, especially at the busy school pick-up and drop-off times.	Teena	Crocker		
34805	No		I would like to see a community centre for the use of many groups in the community - computers for everyone, classes of different kinds, space for groups to meet, exercise classes, men's shed, a repair facility, St John's cadets, youth groups, space for the school to use as an auditorium, farmer's market, flea market, space for the likes of Citizens' advice, adult education classes, drop in centre for children and teens (especially the teens)	More seating, drinking fountain, somewhere for folks to get water for their dog, rubbish bins,.	Annette	McIntyre		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34801	Yes (please tell us how)	My family and I own property within 100m of the park here and absolutely love taking our dog for a walk here most mornings.  We've seen a huge uplift in activity here with the pump track and think it's been a great addition to the area!	Leave it as it stands. It's great to see the trees along the Slater street side cut back recently. I had noticed there was the odd person sleeping in their car there, so would encourage this carpark being made as open to the public as possible.	A coin operated bbq or two perhaps, near the playground, perhaps with some sort of shubbery and sheltered trees around it...  But certainly not another large empty unused hall for pisspoor community events that only attract 10 old boomers each month for knitting and scout camps. Please. A community notice board or local business board would be welcomed, but goodness knows how's that could be monitored/updated/made weather tight.	Michael	Calder		
34792	Yes (please tell us how)	Walk through and peaceful atmosphere. Miss the hall-space.	It was a meeting point for a range of groups, of young and older folk, with diverse interests.  I would like to see that community spirit 'Rebuilt' !!	Rebuild the Shirley Community Centre at 10 Shirley Road.  Since the destruction of the Community Centre, this community has been sorely under-resourced for Group Activities meeting places.	Phil	Thompson	n/a	n/a
34781	Yes (please tell us how)	The playground.	The community centre if re established would be used by the community for a number of activities and events.	I already do	Liz	Kay		
34774	No			Return the community centre to Shirley road	Jo	Kirwan		
34773	Yes (please tell us how)	Passive recreation. Walking, enjoying the open space, mature trees, and streamside.	I would like to ensure the ability to use 10 Shirley Road in this way, and the values that facilitate it, is retained as part of the overall vision for the site.	I think maintaining a balance between passive recreation use and values, in conjunction with more specific uses where compatible, is desirable, recognising the importance of this green space within the area.	Andrew	Robins		
34770	Yes (please tell us how)	To Walk to and take kids to play, to walk through to the shops.	To play sport/ have exercise with the kids, meet in an outside place with friends and socialise. Meet new people. Enjoy a garden and wildlife area near to home.	Upkeep of a Tarmac area to play ball. Plant some more trees to sit under in the summer. Have a mowed grass area to kick ball and play other sports.	Shona	Galbraith		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34769	No	The community centre is no longer there and this is how I used to use the site	I would like the community centre rebuilt. It was there prior to the earthquake and this facility, would have been covered by the CCC insurance. Insurance money should have been used to pay for existing facilities that were there prior to the earthquake. Why has the council not yet replaced the community centre. The St Albans community centre is finally being rebuilt. Why are the residents of Shirley, Edgeware, Mairehau and north Richmond not being treated equally. Without the community centre these local residents are no longer able to walk to their community centre. I thought the council wanted to get cars off the road. Part of the reason why I bought a house in Woodville St was the closeness of the community centre and the groups that operated out of there. My rates keep going up but the council can't be bothered to replace our existing community centre. Instead you are building all sorts of new facilities miles away from where our local residents live. Our area of town had already list loads of facilities following the earthquakes and are having to put up with the outcomes of the NCC splitting the residents of St Albans off from each other. CCC managed to find the money for that but cant be bothered to compensate the people affected by this by rebuilding their existing facility. I don't want to have to get in my car to drive to Avebury House, Delta, the new Burwood community centre, the rebuilt St Albans Community Centre. Give us back our facility	Nothing to make use of 10 Shirley Road at the moment for me except the car parking if my children were still at Shirley Primary. They are bigger now. A community centre where they could maybe game or attend clubs etc would be great. Get it done and stop renegeing on your responsibilities	Margaret	Stewart		
34755	No		A fungible building space for the use of lots of community groups. Somewhere for all of us in the neighbourhood to call our space.	Good to have basket ball court with good. They get used a lot. Community planting also good to have.	Robyn	Thomson		
34749	Yes (please tell us how)	Kids to play on park and ball court	Better playground for kids more seating area and a bbq	Community to help refresh gardens ect	Samantha	Jacobson		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34731	Yes (please tell us how)	I take my 4 yr old to the Pump track there, and then he also plays on the playground.	<p>I think a community hall would be great, to help service the North Richmond area.</p> <p>I also love the recreational aspect of it now, an outdoorsy area to go to.</p>	<p>Please make a path that kids can disembark from the Pump track, would be great if when they come off of it, there's a lane to continue the momentum.</p> <p>I would LOVE something like the Westburn reserve, where kids who aren't into the bumpy 'hardcore' pump track can just go around on their bikes on a flat surface. So if you bring a family, those kids who aren't old enough or capable of going on the Pump track, can also bike on a flat area right next door. Doesn't have to be fancy, just paved paths or even a big open paved area to bike around on (ideally both of these). For toddlers, kids on little bikes, because often their older siblings will go on the pump track and there's nowhere for the little ones (well except the playground, which kids only play on for a short time). Younger kids want to do what their siblings are doing, and biking/scooting burns so much energy.</p> <p>My son LOVES the inner city paved bumpy tracked near the Margaret Mahy too...the meandering paths are fun too.</p> <p>My daughter is 8 and scared of biking still. If there were some paved paths in the open area, she could just mess around there with her scooter or bike, while my adventurous son goes on the Pump track.</p> <p>Also near the Pump Track in Burwood there's a mini trail system that would be equally as nice. I couldn't find any photos online, but I have attached mostly photos of Westburn Reserve (10 Shirley Road could be on a smaller scale than this!)</p> <p>Thank you.</p>	Rachel	Crawford		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34688	No	We need community and council support	My daughter is at Shirley division for St John's and they now are looking for a new venue and this would be perfect for the community and for the cadets to have a new space to learn	We need the CCC to use there resources for the community and give back what it's lost	Alana	Jackson		
34679	Yes (please tell us how)	Walking, use the bus stop, watch the ducks in the creek (Dudley Creek)	I think we should have a raised scented garden with lots of seating, so that people with low vision (or anyone) can walk around it or just sit and enjoy the sun and scents. I like the pump track as well.	Develop more walkways i.e. a circuit around it that is wheelchair friendly that links the creek tracks and the scented garden. A market on Saturday mornings would be beneficial for the community.	Deborah	Alexander		
34678	Yes (please tell us how)	Walk our dogs along paths provided on banks of stream. When our Grandchildren visit our place across Slater Street they like to go to the play area.	I would like to see a replacement community hall smaller would do, to provide hobby classes etc.	Provide a track suitable for younger children to ride their scooters, and trainer bikes etc. Provide toilets.	Robert	Beduhn		
34677	No		Tai Chi	Petanque, Chess	Yvonne	Gwyther		
34676	No		A community centre providing night classes and facilities offering activities for the community to join to meet local people & make friends etc. These are provided elsewhere, but a non-church facility is urgently needed for those put off by church activities. (some like myself medically unable to drive)	Have more organized picnics etc. there	Andrew Lennox	Driver		
34669	Yes (please tell us how)	We live a two minute walk away, we use the pump track regularly, my son's ten but now too big for the playground but he use to play on it. We picnic in the park on the weekends at least once a month in the summer time and we often use the track at Hammersley shop and walk through the park on our way to school and play ping pong on the new table that is there.	I'd love to see bbqs like the ones at margaret mahey put in. I'd love there to be fruit trees put in for the kids. I'd like to use it as a recreational fun area for families. A green space with fun games for all ages to enjoy the space.	Put in a local fair there on Sundays perhaps where kids and adults can come share in the event, grab a bargain and utilise the space and activities in place now. The kids would love the pump track to become permanent.	Milly	Shilton		
34642	No		I would like it to be used by families and the youth of the community. A tennis court could do that. It would compliment the basketball half court. Also some tables and seating.	Improve the landscaping.	Martin	Maunsell		

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34587	No		Yes	Outdoor seating areas for picnics, etc. Perhaps shaded areas for the summer. Perhaps a small community garden or similar community/resilience building would be nice too.	Jacob	Uden		
34498	Yes (please tell us how)	The playground and the bike track. I have Miss 6 and Miss 1	Permanent bike park like that of Burnside & at Halswell Park - with carpark picnic area	Native tree planting to make it more separate from the main road.	Emma	O'Connell		
34496	No	We have enough community centres for low cost community activities, what we don't have is enough big spaces for big meetings and activities that require a-lot of room. This will be resolved when Delta and the RWC are completed and hopefully we can save the old Shirley Boys gym.	Food forest and resource for the local schools	10 Shirley Road seems to be the only focus of the Pap board for the Richmond Area it consumes a-lot of time and resources for a small number of voices I would rather see investment in the existing groups doing great work to enable them to do more than waste any more time on the site. Turn whats left into a food forest and a place for families to play and forage for healthy food. Richmond has just received funding from the MSD to implement our food security plan across the whole suburb 10 Shirley road is included in this network plan and we will be working with the parks team to try and get the food forest off the ground at that site and possibly another food fridge. The food security plan is a collaboration between Richmond Community Garden, Delta, CCC Parks, CCC community boards, We Are Richmond, MSD, Healthy Families and the CCGA.  Stacey Holbrough will be invited to come along to the first meeting of the collaboration.	Hayley	Guglietta		
34493	Yes (please tell us how)	I walk through the pathways when I am out walking in the area.	I enjoy the pathways so would like to see them retained.  In the longer term I would like to see community rooms back there but understand the current funding constraints.	By looking after the plantings and pathways and keeping the pleasant green space	Carol	McNeil		C/o

ID	Do you currently use 10 Shirley Road?	Comments	How would you like to use 10 Shirley Road?	How can we make the most of the things already at 10 Shirley Road?	First name	Last name	Name of organisation	Your role within organisation
34492	No		We need the community center back please. It was great for the old and young and it was a BIG part of the community and so should be replaced. I know a lot of people who really miss what they had there.	Whats there for everyone of all ages to use???? If its raining its useless	Jackie	Copson		
34491	Yes (please tell us how)	I have recently moved from Wellington to Slater street directly opposite the park (10 Shirley Road)	There are a lot of facilities there for children but absolutely nothing for the rest of the community.	<p>Shirley/Richmond is badly lacking a Community Centre that has classes that are open to everyone aged 16 and over who are not currently at school, regardless of educational background. Music, arts and crafts, yoga, tai chi, language etc.</p> <p>I believe that there used to be a centre there that was damaged in the earthquake and was demolished and never replaced. It is now time for this to happen.</p> <p>The park needs strategically placed park benches for adults including the elderly to sit and relax. It also needs a few tables with benches for families and groups of friends to sit and have lunch or afternoon tea.</p> <p>I live across the road and fairly often see men urinating in the shrubs, so toilet facilities would be good especially if some of the above suggestions are actioned and mote people make use of the park.</p> <p>It could be a wonderful asset for the community.</p>	Donald	King		
34472	Yes (please tell us how)	Use the playground and pump track at least once a week	To play/have picnics at	The slides at the playground finish quite high off the ground. Would love to see better slides. Some other playground equipment like a rocktopus or merry-go-round and a rope climbing frame would be awesome	Maria	James		
34471	No	Don't close please.	Run exercise classes, eg yoga, palates, boxing, boot camp, dancing, sewing, knitting, learning a language for adults and kids.	More word of mouth in local area.	Karen	Geno

34470	Yes (please tell us how)	My family use the reserve for maintaining and harvesting the edible garden, dog walking, pump track, table tennis, playground, stream exploration, outdoor activities with Shirley Playcentre and Shirley Primary School.	<p>I would like to use the reserve as an awesome green space local families and residents can enjoy, with some recreational facilities, a well maintained and appreciated health stream, and also food resources in the form of perennial edibe plantings.</p> <p>Personally I don't think we need another building here, organisations that were in the community centre have long since found new homes and we have the MacFarlane Park Neighbourhood Centre and Park Centre, Delta, Avebury House etc pretty close by.</p>	<p>Build on the edible park idea - more permanent perennial edible garden beds, fruit and nut trees, trees that support fungi.</p> <p>Multi use table isn't getting much use. I tried leaving second hand bats and balls but they only lasted a day and there's nowhere to store them. The seating set out from the table means it doesn't function as a picnic table to sit at. Cool concept but its not really delivering at the moment.</p> <p>Basketball court and pump track get lots of use.</p> <p>There was an old bike rack here at one stage, a modern one would be great.</p> <p>The wooden picnic table provided by residents gets alot of use after school and on weekends by adults supervising kids on playground, pump track etc. BBQs and a toilet would be awesome and extend the length of time people can stay. Toilets also make it more accessible for those who for age, health etc reasons need to be near such facilities - this is something many in the community have to plan outings and activities around.</p> <p>Awesome to see the paths being redone and decade old liquifaction finally gone!</p> <p>This stretch of Dudley Creek is pretty healthy and also accessible. It would be great to have an information board that tells people about all the life that was identified in the stream during the water way works in the area, and the part they can play in keeping our waterways clean.</p>	Rebecca	Roper-Gee		
34464		<p>1. Shirley Primary School doesn't have a swimming pool.</p> <p>2. As the General Manager of Delta Trust I</p>			Ian	Burn	Delta Community Support Trust	General Manager

		<p>would have preferred it if the 'various services' listed under Delta Community Baptist Church could have been attributed to us and our work. While we work closely with the church we are not the same and some people will have reluctance to engage with a church rather than a trust and we wouldn't want to put them off.</p> <p>3. Also the Crossway building is being built next to us on an adjacent site. There will also be space available for hire in this building. When complete early 2021 between us we will be the North Avon Community Centre.</p> <p>4. Richmond Workingmans Club developments weren't complete by July 2020, did you mean July 2021?</p> <p>5. There is no reference here on the map to the Shirley Community Trust and their site on Acheson Ave. Possibly check whether this is open to hire. They are the main social agency active in the block above 10 Shirley road and I would suggest omitting their existence from this map is fairly significant.</p> <p>6. St Albans Shirley club building to my knowledge is now owned by C3 church and the Club leases the building back from the Church. It would be worth checking with them whether their fairly extensive facility is available to hire.</p> <p>7. I'd also check if you haven't already whether the Emmett St Christian Centre has space available to hire, and the gospel hall on Quinns Rd.</p> <p>I hope this is helpful, do get back to me if you have any further questions. All the best with your consultation.</p>
